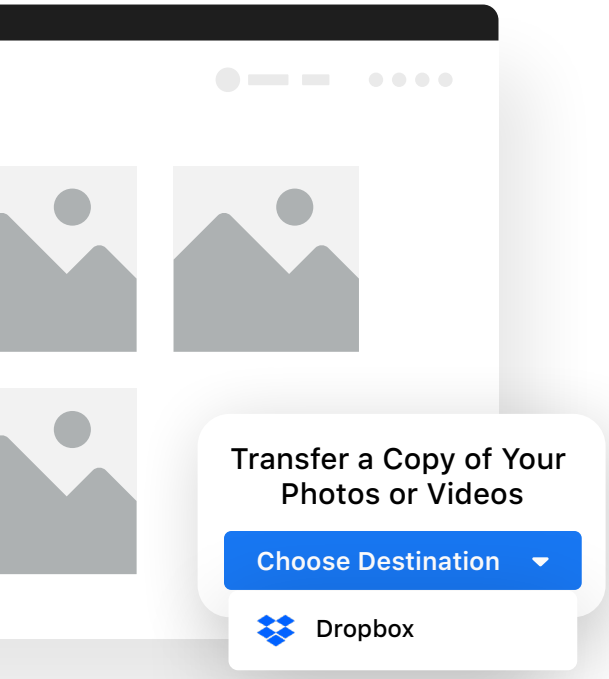
Transferring Your Facebook Photos & Videos to Dropbox in 5 Easy Steps



01

Go to 'Your Facebook Information' in your Facebook Settings

While you're here, you can also check your privacy settings, review your activity log, and use Facebook's Access Your Information and Download Your Information from your mobile phone or desktop.

02

Select 'Transfer a Copy of Your Photos or Videos'

Click 'Transfer a Copy of Your Photos and Videos' to begin transferring to another service.

03

Enter your Facebook password

To verify your identity, you'll need to enter your password before initiating a transfer.

04

Choose Dropbox as your Destination

Select Dropbox from the dropdown menu.

05

Select 'Confirm Transfer'

After entering your Dropbox password, you're all set! You'll see a notification on Facebook and via email once the transfer is complete.
