

Community Standards Enforcement Report September 2020

Adult Nudity & Sexual Activity

How prevalent were views of violations on Facebook?

How much content did we take action on?

Of the violating content we actioned, how much did we find before users reported it?

How much of the content we actioned did people appeal?

How much actioned content was later restored?

FACEBOOK

Facebook is developing metrics not shown here, and will share them as soon as meaningful and accurate measures and related data are available.
 Note: Due to a temporary reduction in our content review capacity as a result of COVID-19, our ability to offer users the option to appeal and measure prevalence was impacted in some areas for Q2 2020 - Q3 2020.
