things to know about Meta's Privacy Policy update

Why is this happening?

We want you to understand how we collect, use, and share data and be able to take action that's right for you.

What's new here?

More details and examples about our data practices and new products since the last update. Our related blog post links to a summary.

When does it go into effect?

July 26, 2022. You may start seeing notifications about the policy as soon as May 26, 2022.

Will this give you new rights to my data?

No.

What will happen if I don't complete the notification?

We don't need you to take any action on these notifications, but you can click through if you want to learn more information.
